Ni Hao! Ping here. Did you know that China has twenty-two different provinces? A province is like one of our states. Will you pray for God to send missionaries to each of these provinces?

"It is so fun to be on vacation and see new sights, new smells, and hear new things", said Lulu the little Chinese girl, to her mom as they drove back to the hotel they were staying at. She loved staying in hotels, it was so much fun.

"The Great Wall was really neat and I loved seeing the view from on top of the mountain", Lulu continued excitedly.

"The fresh mountain air and the spring flowers scattered around the base of the wall smelled good. It is so nice to get out of the city."

"I also enjoyed meeting the American missionary kids, Amy and David. They were very nice".

That night after she got into bed, she thought about the day. She still didn't understand why they were here. What is a missionary? What is a Bible? What is the gospel? Why would those things bring them here? It must be very important. "Amy said she would be praying for me. My mom prayed under the lantern for me, but says it is just tradition and no one hears. Amy prays, but who does she pray to? She said it, like she meant it. Is anyone listening?"

God is listening, He hears and answers prayer!

"A bird does not sing because it has an answer. It sings because it has a song." - Chinese Proverb

if you know Jesus, then you have a song to sing, do others hear your song, so they might trust in Him and have a new song too?

"And he hath put a new song in my mouth, even praise unto our God: Many shall see it, and fear, and shall trust in the Lord." Psalm 40:3
